By completing a Skip-A-Payment you are requesting Honor Credit Union to advance the loan due date equal to one month's payment. You understand that the current balance of the loan is extended by the amount of the payment skipped and that interest will continue to accrue on your loan balance throughout the deferred payment period, which may further extend the term of your loan. You understand that a Skip-A-Payment application fee of up to \$40 will apply per skipped loan. If there is more than one borrower on a loan, only one borrower is required to authorize a Skip-A-Payment request. Using Skip-A-Payment on an auto loan may impact your GAP (Guaranteed Asset Protection) benefit if applicable. Please note that GAP coverage only allows for one skip payment for the life of the loan. If GAP was purchased at the dealership, these restrictions could differ. For more information on your GAP coverage, please give us a call at 800.442.2800.
